

# ENHANCING MODULAR FURNITURE STATIONS

Law Office Admin Stations La  
Jolla, CA

To help one of the top 50 law firms in the US create a great employee experience, StudioCraft outfitted stunning administrative offices with desks that combine the performance and efficiency of standard office systems furniture with a custom look and feel. This creates a branded environment that shows all employees are valued.

To enhance productivity for the staff, StudioCraft created desks with cabinets that feature custom in- and out-boxes, drawers, and cubbies where employees can store work supplies and personal items.

The finishes we used needed to match the manufacturer's finishes exactly. These cabinets are clad in Cambria™ quartz that surrounds Fullbright back-painted glass facades. This detail lends a bright, refined look to the office.
